

Best for Birdville

ANNUAL CAMPAIGN 2019-2020

INTRODUCTION

The mission of the Birdville Education Foundation is to **enhance innovative learning and support the educational excellence of Birdville ISD.**

The Foundation, a 501(c)3 nonprofit organization, supportive of, yet separate from Birdville ISD, is governed by a *volunteer board of corporate, community, and educational leaders dedicated to this mission.*

Since 1996, and thanks to the generosity of donors like you, the Birdville Education Foundation has raised and awarded more than \$1,666,000 to our deserving Birdville ISD classrooms and campuses, funding needs our educators identify – everything from augmented reality to quilling – touching the lives and impacting teachers, students and families throughout the district.

The need for our community's support of our school district's commitment to our students is greater than ever. Increased enrollment, ever-changing demographics and fast-paced curriculum and technology changes cause an increased need for the annual investments you help us make through the classroom teacher grants.

We *all* want what is best for Birdville. Jumpstart your personal and corporate commitment to our educators and students today. Your early pledge of support to our Best for Birdville campaign 2019-2020 will be recognized year-round and beyond in all print and electronic collateral, and at Foundation and district events.
